THE PATRIOT POST

Official Newsletter of the Southern Christian Patriots

Hydrate!!

ARE YOU HYDRATED?

Always hydrate before, during, and after practices, workouts, and games! Keep your body hydrated on your off days. Signs of dehydration: thirst, dry mouth, fatigue, muscle cramps, headaches, and nausea. You CAN NOT hydrate fast, so do not wait until practice time. Be sure to get enough salt as well so cramps won't be an issue.
